Please fill out this application completely. Incomplete applications will not be processed.

- Notes:**
- Depending on type of work proposed, separate trade permits may be required for building, mechanical, electrical, plumbing, or fire.
 - Only licensed mechanical contractors may obtain a mechanical permit, unless it is the property owner who resides in the property and meets the requirements of the NC General Statutes or otherwise no license required by North Carolina State Contractor's License Board.
 - Mechanical permits will not be issued unless proposed work complies with all requirements of NC General Statutes, NC Administrative and Technical Codes, and City of Fayetteville Code of Ordinances. Failure to comply after issuance will result in permit being revoked.
